

Ribbon Towels

Decorate your towels using different styles and sizes of ribbon. Choose wired ribbon for more stability. Use holiday theme ribbons or specialty ribbons to customize your décor. To personalize even more, add a monogram or name using an embroidery machine such as the Tajima SAI 8 needle embroidery system.

- Fabric glue stick

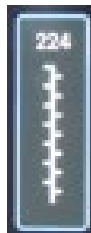

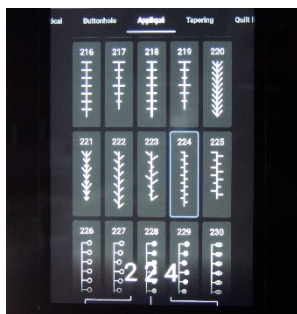

Ribbon Towels

Sewing Instructions White Towel

1. Using the 2 5/8" ribbon piece, turn under the edges. Use fabric glue stick to hold edges.

2. Place the ribbon 3 1/2" from the bottom of the towel. Dab small areas with fabric glue stick on the wrong side of the ribbon to hold in place.
3. Thread machine and bobbin with red thread.
4. Attach Edge Stitch foot "R" to machine.
5. Select applique stitch (#224 on DX4000).

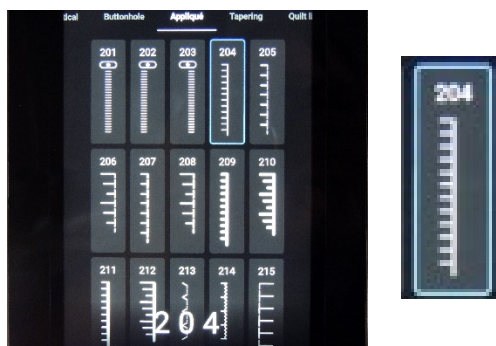

6. Place 2 5/8" ribbon on the left side of the guide on the foot. Place 1 piece of the 5/8" ribbon on the other side of the guide. Sew two ribbons together keeping the ribbons against the guide of the foot. Trim ribbon edge even with towel edge.

Ribbon Towels

7. Sew 5/8" ribbon on other side of the large ribbon.
8. Thread machine and bobbin with green thread.
9. Select applique stitch (#204 on DX4000).

10. Place 5/8" ribbon on left side of guide. Sew ribbon down.

Ribbon Towels

Red Towel

1. Thread machine and bobbin with red thread.
2. Following above instructions, sew the 5/8" ribbon to both sides of the 1 1/2" ribbon.
